Assistant Professor in Mathematics  
A.M. A & N. C. S College, Rajapur

**Date:** 24<sup>th</sup> February 2022  
**Time:**

The staff academy organizes one day workshop on "**Attainment of PO's CO's and PSO's**" dated on **24<sup>th</sup> February 2022**. For this workshop Mr. Karade G. R. from our Institution gave talk on above subject. As a committee chairman Dr. K. A. Sasane preface the workshop and gave introduction of resource person. After that Mr. Karade inform that Programme outcome assessment is a continuous process to support teaching, learning and evaluation. It is the main mechanism to monitor the effectiveness of the learning environment based on evidences that determine whether students have met the course outcomes and objectives. In his one and half hours talk he focus on following points

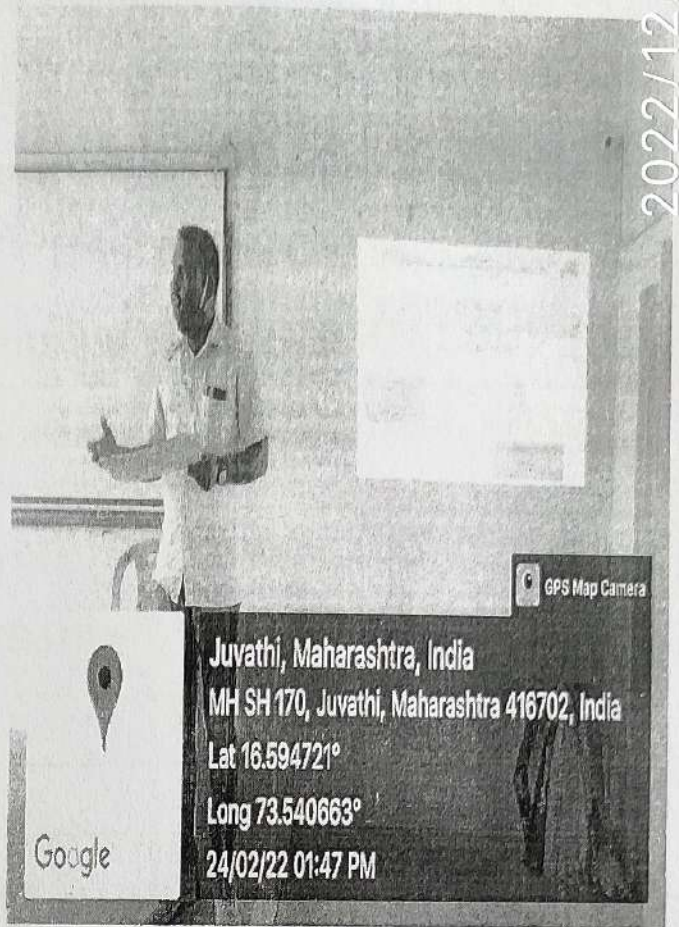

- Process Involved in CO Defining and CO-PO Mapping
- CO-PO and CO-PSO Mapping of courses.
- Course Articulation Matrix
- Program Articulation Matrix
- Assessment of COS, POS, PSOS
- Course Outcomes assessment tools
- Relevance of Assessment Tools and Process Used
